ASIL G9 W-GR	27021	max 40	grey
ASIL G9 W-W	27022	max 40	white

Kanlux ASIL are wall lamps which, thanks to their shape, create a very interesting light effect on a wall. Light does not only part upwards and downwards but it is also emitted through a specially designed slit. Thanks to the Kanlux ASIL holder, you can create a cosy atmosphere at home, in hotel interiors or you can complete lighting in a restaurant or coffee shop.

- Enclosure material: aluminum alloy
